Have you ever thought about attending the YMCA Alan Cassmen Poker Nite? It's a lot of fun. Involves wine tasting. Allows time for visiting with Westchester friends. Supports a worthy cause. Participates in Spencer's event. With so many benefits, heck yes. You could talk a bunch of "the Westchester girls."

Fellow Board Members,

The Poker Tournament is fast approaching!

My ask: can you personally forward this email and then make a phone call to 3-5 people that you think might enjoy joining us for this event?

Thank you!
